

ADVERTISEMENT FOR PROFESSIONAL ENGINEERING SERVICES

REQUEST FOR QUALIFICATIONS

Interested Professional Engineering Consultants are requested to submit experience and qualifications to the Kent County Aeronautics Board in regards to providing professional consulting services. The selected engineering consultant will provide preliminary and final design services and construction engineering services for the reconstruction of Gateway Drive and Walsh Drive.

The Qualifications and Experience response shall include information describing relevant experience; FAA knowledge and experience; and shall identify and designate separately corporate and local office staff to be assigned to the project, and their experience; and shall be supplemented by standard FAA Form SF-330.

Please note that requests for staff interviews or site visits will not be honored until after the Board has approved a short list of firms.

For a more detailed scope of work see “About Us”/”Business Opportunities” on the Gerald R. Ford International Airport web site www.flygrandrapids.org.

For questions, contact Mr. Thomas Ecklund, P.E., Facilities Management Director, at (616) 233-6041 or tecklund@grr.org.

Interested consultants should submit five (5) copies of Qualifications and Experience and standard forms to:

Mr. Thomas Ecklund, PE
Facilities Management Director
Kent County Department of Aeronautics
Gerald R. Ford International Airport
5500 44th Street, SE
Grand Rapids, MI 49512

Statements of Qualifications and Experience will be accepted until 2:00 PM local time on May 25, 2010.
