

MICHIGAN AVIATION
PROFESSIONALS TRAINING
COURSE (MAPTC)

2024 Maintenance Workshop

Join your industry peers to learn tips and tricks and share lessons learned regarding airport maintenance from the staff at Oakland County International Airport and Oakland Southwest Airport.

Presentations will discuss topics such as airfield maintenance, lighting, signage, fueling, pavement maintenance, snow removal, obstruction removal, emergency response, and special events.

An airport tour will also be offered.

Advance registration is required by June 14, 2024.

Registration link can be found at:
